Hello, I'd like to address these recent posts by Santasurfing, or someone who compromised that account.
We are hoping and praying that the account is compromised. There was no indication on Friday or Saturday of any problems between santa and I. There were serious problems

with Santa's equipment, and mine and even RedPill78, at the same time. We are hoping someone has taken over the account. All the videos have been taken down from YouTube as well.

I'll address the claims made anyhow.
1) I'm not emaciated.
No kidding, never said I was. I certainly was in 2009/10 because of the torture. I clearly stated I have recovered as much as possible and my weight fluctuates wildly because I don't absorb food/ medication very well

that's why I need injectables. That Prednisone/withdraw, bloats you terribly on its own.
2) I was offered help, ANYTHING
There was a offer for assistance but ONLY in the most extreme need as it would compromise other people. I can't put others at risk to save me, I can't do that.

I believe thats what is being referred to.
3) I treated santa horribly.
I have no idea how I could have done that. If I did I apologise.
4) I tried to turn her against a friend.
If that's what I think it may be, santa has mentioned friction in the past, I won't air her private

matters publicly.
I have written and received no response from Santa. I've heard there may be a alternate explanation and we are really really praying that is not accurate.
Thank you everyone. Please concentrate just on the facts, I've never to my knowledge played on anyone's

sympathy, and have always tried to use humor to offset the nasty details and keep everyone positive.
I'm sure this will be figured out soon. I'm not in direct connection with RedPill78 so I'm hoping he will still publish.
Thank you again.😎

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Dear Judge Sullivan, It is with a "heavy heart" that I learned of your recent order against General Flynn and the rebuke of his counsel, Sidney Powell. As a judge you have been very critical in the past regarding "Brady violations" by prosecutors. This order is a complete

reversal of your previously held opinions. You sir, have very "weighty" issues upon your head. And to think, your aspirations of a "federal bench" were assured after being appointed by Ronald Reagan. Only to be derailed by that

In this so called "impeachment inquiry" Dems will continue throwing shit at the wall, hoping something sticks. If it does they'll trot out their secret"whistleblower" who happens to be a expert on exactly what finally stuck to the wall.

In the end, they will fail. Then they will collect their sound bites for the election cycle while at same time claiming President Trump "exerted pressure" and "abused his power" Therefore the impeachment investigation was tainted. Allowing them to try again, and again.

The chess game in Cali. Their plans are moving along, Troops moved to the area for "training" are actually a deterrent. Their overall plans are coming out. Seal off Cali, flood with immigrants, maintain absolute control. Cali will not allow voting in 2020, or allow Trump on

ballot at least. So they can claim illegitimate election/Presidency. Shutting down communications, confiscating firearms, etc. before their plans become fully known. All this forcing Trump to react so they can use

Comey's net worth skyrocketed 4,250% in a few short years after leaving the DOJ on his first trip through the revolving door. See who Comey's benefactors are and you'll understand why he's above the law. #COMPROMISED

After Trump fired Comey, he was given a plush gig at his alma mater William & Mary teaching.... ETHICS. Can't make this stuff up.

Current FBI Director Christopher Wray is a longtime friend of Comey (and Mueller). During the infamous Ashcroft

Hello everyone! I hope people don't mind if I hijack my own company's twitter account for a bit to post some personal thoughts. You see, tonight is my final night as a resident of Tokyo.

And so I've come to celebrate my 11 and a half years here in the most appropriate place I could think of, the New York Bar in the Shinjuku Park Hyatt hotel. The location of the film "Lost in Translation"

.@ChuckGrassley @realDonaldTrump @POTUS IMO: we need MUCH TOUGHER laws on illegal-drug financing, manufacturing & whole-sale level distribution along with RICO enforcement. Retail level distribution & use consequences MUST BE DEFINITIVE and EQUITABLE in application across US.
